How can you #Playyourpart?

- Join the Sharing & Learning workgroup
- Share learnings from good practice or incidents with industry – sharing is caring
- Download & circulate safety alerts and moments

How to share learnings:

- Via the Step Change in Safety 'Submit an alert'
- Via e-mail to the support team inbox: info@stepchangeinsafety.net
- Pick up the phone 01224 545178
- Reach out to a member of the Support Team

Sharing and Learning

Why are we here today?

- 12,000 lung disease deaths annually in the UK attributed to past exposures at work
- Several improvement notices within industry
- Raise awareness of occupational lung disease and the importance of respiratory protective equipment
